

BYK-CHEMIE GMBH

TESTING BLUHM & FEUERHERDT GMBH

Founded in 1978, TESTING from its 3,000 m² headquarters today supplies testing for construction materials on all continents.

TESTING offers its customers an extensive product portfolio of building material testing systems and machines as well as complete laboratory equipment, that satisfies all requirements and wishes.

“Made in Germany” stands for the outstanding quality delivered by TESTING.

Since 1996 TESTING has been certified in accordance with DIN EN ISO 9001 and since 2015, accredited as per DIN EN ISO/IEC 17025:2005.

CUSTOMER BYK-CHEMIE GMBH

BYK Additives & Instruments is one of the world's leading suppliers in the field of additives and measuring instruments.

The coatings, inks and plastics industries are among the main consumers of BYK additives. Yet also in the oil & gas conveying technology, the manufacture of care products, the production of adhesives and sealants, and construction chemistry, too, BYK additives improve the product characteristics and production processes.

Testing and measuring instruments from BYK can effectively evaluate the quality of color, gloss and appearance as well as the physical properties of paint, plastic and paper products and are an important part of quality control.

As a globally operating specialty chemicals company, BYK has production sites in Germany, Netherlands, UK and China.

PROJECT DATA

Design & equipment for an ante-room and 2 cement laboratories in a new laboratory building

Scope of delivery

- Combined compression-flexure testing machine 300/15 kN with round panels
- Humidity storage cabinet for 72 mortar prisms, workbench version
- Vibrating table for three-gang moulds and cubes
- Dust-extraction system for available mortar mixer
- Stainless steel waterbath for standing prisms

Stainless steel furniture

- 2 stainless steel work tables
- 3 stainless steel corner work table
- Stainless steel desk
- 15 stainless steel cabinets
- Stainless steel floor cupboard with two doors for dust-extraction system
- Stainless steel sink unit
- Stainless steel sludge trap
- Stainless steel shelf rack with 6 bottom storage shelves for three-gang moulds
- Stainless steel island solution with large worktop
